COLOUR
COMBINATIONS GUIDE
2022

Colour inspiration ideas for your home!

Find curated colour options
for every part of your house.

CALIBRE® EXTERIOR EMULSION

INDICUS® CALIBRE® is a water-based acrylic emulsion suitable for exterior walls in dry to moderately humid environments. It's anti-peel technology delivers best-in-class resistance against peeling and keeps the wall new for a longer time compared to cement paints*.

Anti-peel technology that keeps your wall new for a longer time*

3 years performance warranty**

Anti-algal

* On tested conditions.

** Conditions apply. Please refer INDICUS CALIBRE/DRAPER Warranty Guide for conditions and information on the warranty available at www.indicus.in/warranty.

DRAPER® INTERIOR EMULSION

INDICUS® DRAPER® is a water-based acrylic emulsion suitable for interior walls. It provides smooth matt finish and excellent hiding. It's anti-peel technology delivers best-in-class resistance against peeling and keeps the wall new for a longer time compared to cement paints*.

Anti-peel technology that keeps your wall new for a longer time*

3 years performance warranty**
